Spring 2021

1. If you do not gain placement in the 2018 Vestibular Rehabilitation: A Competency Based Course, you may register for guaranteed placement in the Spring 2021 course.

2. This list is limited to the first 100 people.

3. If a spot in our 2018, 2019 or 2020 course opens, you will be contacted in the order in which your name is on the list to verify if you would like to take the earlier placement.

4. If you are not able to take the earlier placement, your name will stay on the list until the Spring 2021 course. During the spring 2021 course, you are guaranteed placement.

5. It is your responsibility to keep us updated if your email address changes. You will be notified by email. Please note: HOTMAIL accounts are notoriously difficult and often send our messages to junk/spam folders. It is highly recommended that if you provide a HOTMAIL address, you also provide us with an alternate.

Thank you!
